Schedule of Benefits

Harvard Pilgrim Health Care of New England, Inc.
NH Local Choice HMO Gold + $0 Rx list + $0 Virtual Urgent Care
NEW HAMPSHIRE

IMPORTANT INFORMATION: This policy reflects the known requirements for compliance under The Affordable Care Act as passed on March 23, 2010. As additional guidance is forthcoming from the U.S. Department of Health and Human Services, and the New Hampshire Insurance Department, those changes will be incorporated into your health insurance policy.

Coverage under this Plan is under the jurisdiction of the New Hampshire Insurance Commissioner.

This Policy does not include pediatric dental services. Pediatric dental coverage is included in some health plans, but can also be purchased as a stand-alone product. Please contact your insurance carrier or producer, or seek assistance through Healthcare.gov, if you wish to purchase pediatric dental coverage or a stand-alone dental services product.

You have thirty (30) days from receipt of this Policy to review this document. If you are not satisfied for any reason with the Policy, you have the right to return the Policy to Harvard Pilgrim and have your premium returned.

This Schedule of Benefits states any Benefit Limits and the Member Cost Sharing amounts you must pay for Covered Benefits. However, it is only a summary of your benefits. Please see your Benefit Handbook for details. Your Member Cost Sharing may include a Deductible, Coinsurance, and Copayments. Please see the tables below for details.

Certain capitalized words in this Schedule of Benefits have special meaning. Unless indicated otherwise, please refer to *section II: Glossary* of your Benefit Handbook for more information.

Accessing Plan Providers

This Plan provides access to the NH Local Choice HMO network which is smaller than HPHC's full provider network. There are two types of providers that make up the NH Local Choice network: (1) Tier 1 providers, and (2) Tier 2 Providers. You will pay different levels of Copayments, Coinsurance or Deductibles depending on the tier placement and provider type you use. Tier 1 providers will result in a lower out of pocket cost while Tier 2 providers will result in a higher out of pocket cost.

Providers can change tier placement, status, practices and/or locations at any time throughout the year. When a Provider changes a practice or location, the tier of that Provider may also change. It is important to check your NH Local Choice Provider Directory before having services to ensure your Provider is in the network and to determine the tier placement of your provider or facility. To find a provider, you may view the Provider Directory online at our website, **www.harvardpilgrim.org**. You can also get a copy of the Provider Directory, free of charge, by calling the Member Services Department at **1-877-907-4742**.

In a Medical Emergency, you should go to the nearest emergency facility or call 911 or other local emergency access number. A Referral from your PCP is not needed. Your emergency room Member Cost Sharing is listed in the tables below.

Medical Necessity Guidelines

We use clinical review criteria to evaluate whether certain services or procedures are Medically Necessary for a Member's care. Members or their practitioners may obtain a copy of our Medical Necessity Guidelines on our website at **www.harvardpilgrim.org** or by calling Member Services at **1-877-907-4742**.

Office Visit Cost Sharing Levels

Office visit cost sharing may include Copayments, Coinsurance, or Deductible amounts as described throughout this Schedule of Benefits. There are two types of office visit cost sharing that apply to your Plan: a lower cost sharing, known as “Level 1” and a higher cost sharing known as “Level 2.”

Level 1 applies to covered outpatient professional services received from the following types of providers: all Primary Care Providers (PCPs); obstetricians and gynecologists; Licensed Mental Health Professionals; certified midwives; and nurse practitioners.

Level 2 applies to covered outpatient professional services received from specialty care providers.

Your Plan may have other cost sharing amounts. Please see the benefit table below for specific cost sharing requirements.

American Indian/Alaskan Natives

Please Note: If you purchased your coverage through New Hampshire’s Federally Operated Health Insurance Marketplace and it has determined that you are eligible to enroll in this plan as an American Indian or Alaskan Native, you are exempt from any Member Cost Sharing requirements when Covered Benefits are received by an Indian Health Service (IHS), Indian Tribe, Tribal Organization, or Urban Indian Organization (UIO) or through referral under contract health services. There is no Member Cost Sharing responsibility for American Indians or Alaskan Natives when Covered Benefits are provided by one of these providers.

Virtual-Only Plan Providers

Your Plan includes a designated group of Virtual-Only Plan Providers who deliver care exclusively through virtual visits. These Plan Providers do not offer in-office visits and include:

- designated Virtual-Only Primary Care Providers (VPCP), and
- designated Virtual-Only Mental Health Providers (VMHP)

If you select a designated VPCP, all virtual visits with your VPCP or any designated VMHP will be covered with no Member Cost Sharing.

To find a designated VPCP or VMHP go to **www.harvardpilgrim.org** or call Member Services at **1-877-907-4742**.

Important Note: Only services from designated Virtual-Only Plan Providers are covered as described above. Telehealth, virtual, or in-office services from other Providers are subject to the applicable Member Cost Sharing listed in the tables below.

Covered Benefits

Your Covered Benefits are administered on a Calendar Year basis. Your Member Cost Sharing will depend upon the type of service provided and the location the service is provided in, as listed in this Schedule of Benefits. For example, for services provided in a physician’s office, see “Physician and Other Professional Office Visits.” For services provided in a hospital emergency room, see “Emergency Room Care.” For inpatient hospital care, see “Hospital – Inpatient Services,” and for outpatient surgical procedures, please see "Surgery - Outpatient."

When you receive a service at your home (other than home health care), your Member Cost Sharing will be the same as when the service is provided in an office or facility. For example, if you have a physician visit in your home, see “Physician and Other Professional Office Visits.” If you have blood drawn at home, see “Laboratory, Radiology and Other Diagnostic Services.”
