| Important Questions | Answers | Why This Matters |
|---|---|---|
| **What is the overall deductible?** | Medical & **Prescription Drug Deductible**: In-Network: $5,000 member / $10,000 family<br>Out-of-Network: $10,000 member / $20,000 family<br>Benefits are administered on a Plan Year basis. | Generally, you must pay all of the costs from **providers** up to the **deductible** amount before this plan begins to pay. If you have other family members on the **plan**, each family member must meet their own individual **deductible** until the total amount of **deductible** expenses paid by all family members meets the overall family **deductible**. |
| **Are there services covered before you meet your deductible?** | Yes. Certain preventive drugs, and the following In-Network services: **preventive care** and routine eye exams are covered before you meet your **deductible**. | This **plan** covers some items and services even if you haven't yet met the **deductible** amount. But a **copayment** or **coinsurance** may apply. For example, this **plan** covers certain **preventive services** without **cost-sharing** and before you meet your **deductible**. See a list of covered preventive services at **https://www.healthcare.gov/coverage/preventive-care-benefits/**. |
| **Are there other deductibles for specific services?** | No. | You don't have to meet **deductibles** for specific services. |
| **What is the out–of–pocket limit for this plan?** | In-Network: $8,050 member / $16,100 family<br>Out-of-Network: $16,100 member / $32,200 family | The **out-of-pocket limit** is the most you could pay in a year for covered services. If you have other family members in this **plan**, they have to meet their own **out-of-pocket limits** until the overall family **out-of-pocket limit** has been met. |

| Important Questions | Answers | Why This Matters |
|---|---|---|
| **What is not included in the out–of–pocket limit?** | Pediatric Dental Care, premiums, balance-billing charges, penalties for failure to obtain preauthorization for services, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out–of–pocket limit. |
| **Will you pay less if you use a network provider?** | Yes. See **https://www.harvardpilgrim.org/public/find-a-provider** or call **1-888-333-4742** for a list of network providers. | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services." |
| **Do you need a referral to see a specialist?** | No. | You can see the specialist you choose without a referral. |

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
