Important Questions	Answers	Why This Matters
What is the overall deductible?	Medical & Prescription Drug Deductible: Preferred Deductible: $7,500 member /$15,000 family Standard Deductible: $9,200 member /$18,400 family Benefits are administered on a calendar year basis.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. Preventive care, Tiers 1 and 2 prescription drugs, Primary care provider office visits, Non-hospital affiliated facility day surgery, Non-hospital based laboratory and imaging, and Rehabilitation services, and Habilitation services are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at **https://www.healthcare.gov/coverage/preventive-care-benefits/**.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out–of–pocket limit for this plan?	Preferred Network: $9,200 member /$18,400 family Standard Network: $9,200 member /$18,400 family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.

Important Questions	Answers	Why This Matters
What is not included in the out–of–pocket limit?	Pediatric Dental Care, premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	Yes. See **https://www.harvardpilgrim.org/public/find-a-provider** or call **1-888-333-4742** for a list of preferred providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance-billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	Yes	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
